- **Front panel with 2x addressable +5V RGB LED strips**
- **1x addressable +5V RGB fan (120mm)**
- **Certified RGB control hub with M/B sync**
- **Innovative layout with PSU tunnel at top for optimized cooling**

With the **G1**, **Chieftronic** will build on the legacy of our **Chieftec** heritage of quality and experience in the PC chassis industry, while bringing in fresh and innovative design features, thus meeting the high demands of gamers and modern power-users.

Sporting a refined, modern RGB-LED dual-stripe look, the case is ideal for RGB enthusiasts that still want to keep their build looking timeless and elegant. The front panel and pre-installed fan are sync-compatible with all major **+5V motherboard technologies such as ASUS™ Aura, ASRock™ RGB Sync, MSI™ Mystic Light Sync and Gigabyte™ RGB Fusion.**

For those wishing to add more fans to the G1 than the pre-installed rear RGB-fan, optional fan or radiator installation at the front and bottom provide many additional possibilities. The tempered glass side panel completes the modern design with a clear view of your hardware. With front ventilation slits equipped with dust filters and removable dust filters at the bottom of the case, the Chieftronic G1 ensures that the system remains clean and protected.

Technical data	
Artikel no.	GR-01B-OP
EAN code	0753263076052
Color	Black
Material	0.8 SPCC and tempered glass side panel
Motherboard support	Mini ITX, mATX, ATX (max. 305mm x 245mm)
Dimension (DxWxH)mm	502x210x476 (w/ stand) / 502x210x452 (w/o stand)
Weight (without/with package)	8.0/9.3 Kg
Drive bay external	-
Drive bay internal	(2x 3.5", 4x 2.5") or (1x 3.5" + 5 x 2.5")
Power supply	ATX PSU (optional, 140mm - 200mm)
Front I/O	2x USB3.0 (USB3.1 Gen 1), 2x USB2.0, Audio-out (AZALIA / HD-Audio)
Scope of delivery	User manual, screw set, 2x RGB LED strips pre-installed, 1x 120mm RGB fan pre-installed, 1x RGB control hub, 1x +5V RGB M/B SYNC cable, 1x SATA power cable, 1x remote control, 1x removable dust filter at the bottom and front
Expansion slots	7
Cooling (optional)	Front: 2x 120mm, 2 x 140mm fans or 280mm radiator Bottom: 3x 120mm fans or up to 360mm radiator (only in combination with mATX M/B) Rear: 1x 120mm fan pre-installed
CPU cooler height (max.)	160mm
VGA card length (max.)	400mm
Warranty	24 months

* The listed specifications may be altered at any point in time without any pre-notice.
