CH331 STREET FIGHTER 6 CHUN-LI EDITION

CH-331-SF6CL

ESSENTIAL AUDIO, ALWAYS

STREET FIGHTER 6

FEATURES

- **Limited Edition** - Collaborate with Capcom, the iconic video game, Street Fighter 6
- **Virtual 7.1 Surround Sound** - Custom-tuned 50mm drivers deliver virtual 7.1 surround sound for a rich, detailed soundstage for gaming and entertainment
- **Comfortable Fit** - Oval earcups made of PU and ergonomic designed for optimal comfort
- **Durable Construction** - Frame composed of Aluminum in a Y-Yoke construction provides durability and understated style
- **Detachable Boom Mic** - Omnidirectional microphone delivers quality comms with minimal noise, ideal for gaming or for meetings while working from home
- **Inline Controls** - Convenient controls on the cable allow you to adjust volume, mic, and other settings without pausing the action
- **Plug-and-Play Compatibility** - Get into the game faster with no need to fiddle with settings
- **RGB illumination**- Illuminated, minimalistic logo adds an ambient glow to your gaming experience
- **Software Available** - Comes with MasterPlus+, control 7.1 surround sound and create your own EQ
- **Tangle Free Cable** - High density nylon mesh, anti-pull, anti-violence and more durable

The CH331 Street Fighter 6 CHUN-LI Edition USB Gaming Headset takes the essential audio experience and refines it for all gamers. A sturdy aluminum frame for durability and understated style is attached to ergonomic earcups for all-day comfort. Powerful 50mm speakers precision-tuned for virtual 7.1 surround sound deliver immersive audio -- while an omnidirectional detachable boom mic offers convenient comms with reduced noise and improved clarity. Inline controls let you adjust settings right from the anti-snag, anti-tangle cable. And if that weren't enough, it's plug-and-play for instant compatibility. Durable, comfortable, and immersive, the CH331 SF6 CHUN-LI gives you everything you need, and nothing you don't.
