MASTERACCESSORY

UNIVERSAL VERTICAL GPU HOLDER KIT VER.2

MCA-U000R-KFVK01

MAKE OF IT WHAT YOU WILL

The Cooler Master Universal Graphics Card Holder Kit Version 2 comes redesigned for maximum compatibility and easy installation. The revolutionary accessory returns with a new design that allows the bracket to move back and forth to accommodate all standard ATX chassis and various sizes of graphics cards. A high-quality version 2 riser cable is included to complete the kit. Installation is painless: Connect the riser cable to the motherboard, install the GPU holder to the chassis, then install the GPU to the holder itself and you're set.

SPECIFICATIONS & PACKING INFORMATION

Product Name		Universal Vertical GPU Holder Kit ver.2
Product Number		MCA-U000R-KFVK01
Available Color		Black
Dimensions (L x W x H)	GFX Holder kit	184 x 142 x 121mm / 7.25 x 5.59 x 4.77 inch (closed) 239 x 142 x 121mm/ 9.41 x 5.59 x 4.77 inch (fully open)
	Riser cable	165mm (6.49in)
Supported Graphics Cards		Any length, up to 2.5 slots wide
Riser Cable Model		Riser Cable PCIe 3.0 Ver.2
Compatibility		PCI-E 3.0
Certifications		EMI, IPC4101D/21
Electronic Component Materials		PCBA, Copper Wire 28 AWG, Copper Wire 30 AWG
Insulation Materials		PE, TPE
Other Materials		ABS, SPCC, SGCC Steel, Nickel, Gold, Brass
Required PCI slots		7 PCI slots are required for mounting
Net Weight		0.41kg
Gross Weight		0.55kg
Warranty		1 year

FEATURES

Showcase your graphics card –

The vertical graphics card holder Kit allows vertical installation of a GPU to better show off the visual design of the GPU and its cooler.

Compatible with all standard ATX chassis –

The newly revised vertical graphics card holder kit fits all standard ATX chassis with at least 7 available PCI slots.

Modular, instantly adjustable design –

The position of the GPU can move back and forth to allow cables to pass through chassis with either closed or open PCI slots.

Durable, high quality materials –

Thick SGCC steel prevents the largest and heaviest GPUs from bending the GPU holder

Cooler Master Riser Cable Version 2 included –

A high quality Cooler Master version 2 riser cable completes the vertical GPU holder package
