Dual-connector cable for speed and convenience

Lexar® 2-in-1 USB 3.2 Gen 2 Type-C™ Cable connects to, syncs with, and charges any USB-C device, offering super-fast transfer speeds of up to 2000MB/s (10Gbps for USB-C to C cable). This well designed 30cm length cable delivers up to 15W of charging power to help you get through your busy day. The included USB-A adapter vastly increases the range of compatible devices.

Fast Sync. Specially designed for high speed transfer of massive data load, Lexar® 2-in-1 USB 3.2 Gen 2 Type-C™ Cable offers transfer speeds of up to 2000MB/s (10Gbps for USB-C to C cable and 5Gbps for USB-C to A cable). It supports transfer between Portable SSD, laptops, tablets, cellphones, and all types of devices. It also takes less than 3 seconds to transfer a 3GB 4K movie clip.

Wide Compatibility. Streamline your multiple cables with the Lexar 2-in-1 USB Type-C™ Cable. This cable features dual Type-C connectors with a convenient Type-A adapter, allowing you to transfer and charge with a wide variety of USB-A and USB-C devices. You'll only need one cable to fit all your devices.

Compacted design for easy use. The 30cm cable is designed for minimalism and includes a strap for you to organize your work space. The integrated and elegant design of this cable makes it convenient to carry, and the adapter won't be lost as easily. Perfect for connecting to your power bank or cellphone for its compact length.

Rigorously tested. All Lexar product designs undergo extensive testing in the Lexar Quality Labs, facilities with more than 1,100 digital devices, to ensure performance, quality, compatibility, and reliability.

For more than 20 years, Lexar has been trusted as a leading global brand of memory solutions. Our award-winning lineup includes memory cards, USB flash drives, card readers, and solid-state drives. With so many options, it's easy to find the right Lexar solution to fit your needs. Lexar products are available worldwide at major retail and e-tail stores. For more information or support, visit www.lexar.com.

Product appearance, performance, software offerings, and packaging may vary depending on ship date and available inventory. Actual usable memory capacity may vary. 1GB equals 1 billion bytes.
