MASTERACCESSORY RISER CABLE PCIe 4.0 X16 - 200MM

MCA-U000C-KPCI40-200/MCA-U000C-WPCI40-200

FLEX YOUR GRAPHICS MUSCLE

Flex Your Graphics Muscle

The Cooler Master Riser Cable PCIe 4.0 x16 - 200mm is designed for greater data transmission efficiency, maximum flexibility and durability. High quality plastics grant increased cable flexibility and strength for the tightest PCI card installations, while the heavy-duty shielding prevents electromagnetic interference from degrading signal quality. The multi-layer coated PCB provides the best-in-class cable flex, moisture resistance and performance under high thermal loads.

FEATURES

PCIe 4.0 Compatible:

While providing twice the bandwidth of PCIe 3.0, the Gen 4.0 riser cable remains backwards compatible with a maximum transfer rate of over 64Gb/s (bi-directional) and fully supports the 16GT/s bit rate of PCIe 4.0 devices.

Ultra Durable PCB:

The multi-layer coated PCB provides best-in-class cable flex, moisture resistance, and performance under high thermal loads.

Heavy Duty Shielding:

EMI shielded 30 AWG copper wires ensure minimal signal delay and electromagnetic interference-free operation.

Gold-Plated Pin Connections:

Gold-plated PCI pin are rated 400g of retention force per contact pairs, ensuring maximum product lifespan and durability.

Protective ABS Casing:

UV resistant ABS casing protects cable connection points from rough handling.

Ultra-Flexible Cable Sleeves:

TPE cable sleeves allow for maximum flexibility and durability for the tightest cable routing jobs.

SPECIFICATIONS & PACKING INFORMATION

Product Name	MasterAccessory Riser Cable PCIe 4.0 x16 - 200mm	MasterAccessory Riser Cable PCIe 4.0 x16 White - 200mm
Product Number	MCA-U000C-KPCI40-200	MCA-U000C-WPCI40-200
Units per package	1 unit per package	
Available color	Black/Purple	White / Gray / Black
Compatibility	PCIe 4.0 and older	
CE Certificate Number	BKC210933AC	
Component Materials	PCBA, tinned copper wire 30 AWG	PCBA, silver plated copper wire 30 AWG
Insulation Materials	PE, TPE	
Other Materials	ABS, Nickel, Gold, PP, Brass	
Connectors	PCIe x16 Male to PCI e x16 90° Female	
Cable Length	200mm (7.9in)	
Contact Current Rating	1.1A per contact pin	
Max Voltage Rating	30V	
Working Voltage / Current	DC 12v / 5A	
PCB / Wire UL Numbers	E189572 / E252840	
Operating Temperature	-20° to +100° Celsius	
Net Weight	112 g	
Gross Weight	163 g	
Warranty	1 year	

Product Name	MasterAccessory Riser Cable PCIe 4.0 x16 - 200mm	MasterAccessory Riser Cable PCIe 4.0 x16 White - 200mm
EAN code	4719512123379	4719512132012 (Global) 6928968316763 (CN)
UPC code	884102095696	884102104336
Carton Net Weight	2.24 kg (20pcs per carton)	
Carton Gross Weight	3.78 kg (20pcs per carton)	
Retail box dimension (L x W x H)	175mm x 155mm x 23mm	
Carton dimension (L x W x H)	360mm x 329mm x 203mm
