SUREFIRE

COMFORTABLE CONTROL

Ideal for gamers who enjoy having control over their mouse while simultaneously desiring comfort and longevity. The SureFire Martial Claw Gaming Mouse allows for a comfortable finger-wrist-shoulder movement, in turn helping you cover large motions when aiming, tracking, and sniping.

PLAY YOUR WAY

Program buttons, assign macros and save your speed settings and light effects with the included advanced software. Customize and arrange everything the way you like it.

FAST AND PRECISE

The adjustable DPI of up to 7200 can be set for rapid exploration of wide areas or slowed right down for ultimate precision.

A LIFETIME IN RGB

Colourful RGB lighting around the base and on the scroll wheel offering multiple effects heightens your gaming experience. With a projected lifetime of 10 million clicks, the SureFire Martial Claw will never let you down.
